

PAWNS AND TOKENS

Tent pawn: cut out the strip, fold along the dashed lines into a triangle (panel · panel), bend the feet outwards and glue them together. The 9 × 9 mm base fits the circle of a board field. Card stock 250–300 g/m².

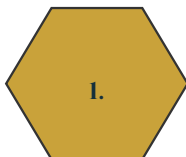

Character tokens · Ø 9 mm (instead of pawns, e.g. glued onto buttons or coins)

Nation tokens (per GDD) · 6 colours × woman ○ / man △ · Ø 9 mm

First-player marker and round marker

Move the round marker along the score sheet (separate sheet).
The first player starts every round; the last round is always finished.
